LOGO USAGE

The brand **ACERBIS** is an additional benefit to the products and the activities that the company exports in the world. Its consolidated quality needs an unequivocal and homogeneous logo, which encompasses the simplicity and finesse distinguishing the brand **ACERBIS**. This guideline aims to reinforce the brand and its recognisability through a correct use of the logo. **ACERBIS** has two logos. The **Corporate Logo** and the **Competition Logo**. The choice between the former and the latter depends on the situation where the logo appears. These two logos are the only available logos.

SE

CORPORATE LOGO

The **Corporate Logo** represents **ACERBIS** in every institutional context. The logotype must be black on light backgrounds or white on dark backgrounds. The logo proportions and colours must not be altered, as well as any deviation from the acceptable signature configurations. The ® of registered brand is no longer part of the logo, so it must disappear.

SAFE AREA
Always keep this area clean, without text, symbols or any graphic elements that could compromise the integrity of the logo.

COLOURS
The Logo must be either black or white, depending on the shade of the belonging background.
(See examples below)

Black	White
C=0	C=0
M=0	M=0
Y=0	Y=0
K=100	K=0

Black logo on white background

Black logo on light shade backgrounds

White logo on black background

White logo on dark shade backgrounds

CHANGES FROM THE OLD LOGO
The ® of registered brand is no longer part of the logo.
The logo MUST BE exclusively black or white; other colours, yellow included, are no longer acceptable.
The logo proportions must not be altered.

Brand Guidelines

The following guidelines MUST BE OBSERVED for a correct use of the brand.

CORPORATE LOGO

STITUTIONAL CONTEXT

The **Corporate Logo** must be used in every situation where the company is represented as a corporate body. Every official document, every company presentation must include the **Corporate Logo**.
